School Workforce	Vulnerable to COVID-19	Named staff and Names children	L/M	<ul style="list-style-type: none"> • School leaders are best placed to determine the workforce required to meet the needs of their pupils. • Clinically extremely vulnerable (CEV) people are advised, as a minimum, to follow the same guidance as everyone else. It is important that everyone adheres to this guidance, but CEV people may wish to think particularly carefully about the additional precautions they can continue to take. Further information can be found in the guidance on protecting people who are CEV from COVID-19. • Social distancing measures have now ended in the workplace and it is no longer necessary for the government to instruct people to work from home. Employers should be able to explain the measures they have in place to keep CEV staff safe at work. The Health and Safety Executive (HSE) has published guidance on protecting vulnerable workers, including advice for employers and employees on how to talk about reducing risks in the workplace. • DfE welcome our support in encouraging vaccine take up and enabling staff who are eligible for a vaccination to attend booked vaccine appointments where possible even during term time 	Schools COVID-19 operational guidance - GOV.UK (www.gov.uk) SLT to undertake individual risk assessments for CEV staff as appropriate.
