Year 2 to April 2009

Progress on actions planned to promote race equality:

- Assemblies regularly promote and challenge negative stereotyping.
- PSHE & C as part of the curriculum positively promotes race equality.
- 0 racist incident reported in the previous 12 months.
- Racial incidents reported termly to the Governors through the Headteachers report. Governors have been fully involved in the formation of the Race Equality Policy.

Progress on actions planned to promote disability equality:

- Further resources purchased for the library which promote positive attitudes through understanding.
- School positively promotes its 'Telling & Listening' policy.
- School has sought and acted upon advice from the Visual Impairment Team to promote disability equality.
- The school receives advice and support from the Outreach Team to support 2 children in school.

Progress on actions planned to promote gender equality:

- RAISE online data and additional school held data is used vigorously to ensure that children achieve regardless of gender. Data for 2007-08 indicated that boys were not achieving as well as girls in Foundation Stage in CLLD (a trend recognised nationally) however strategies put in place in Sept 2007 have made some improvement. Further strategies are now in place and are regularly monitored. A programme of support has been implemented for identified boys (and some girls) in Year 1 and Year 2.
- Assemblies regularly promote and challenge negative stereotyping of gender.
- The school provides a wide range of extra curricular clubs which are available to all children regardless of gender.
