

# Road Trip USA!

Buckle up and put your sunglasses on – this half term we’re going on a road trip across the USA!

We’ll start by ‘visiting’ the states where Native American tribes settled. We’ll use travel brochures and the internet to research New York and write postcards to family members. Using maps, we’ll locate the USA and find the names of the states. We’ll look at the amazing lights of Times Square, make circuits and create a program for a tourist trip around New York. The story, *The Indian in the Cupboard*, will inspire us to write diaries. We’ll explore Native American myths and write our own. After learning about their cultural significance, we’ll weave beautiful dreamcatchers. Looking at aerial views of natural landmarks, we’ll think about how they might have been formed. We’ll create travel brochures and make illuminated models of different landmarks. Then we’ll cook delicious dishes – would anyone like a corn dog?

At the end of the project, we’ll make a ‘journey stick’ so we can remember where we have visited. We’ll use this to explain our learning journey.

## Help your child prepare for their project

The USA is an incredible place, with a varied landscape and culture. Why not choose a state to research together and create a scrapbook of exciting locations? You could also make a playlist of American songs from different genres that you could listen to on your road trip. Alternatively, visit the supermarket together to see if you can identify any foods associated with the USA. You might even try some of them!
