This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium. **St David Haigh and Aspull will receive £16,860 of funding in 2023-24.**

Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
Investment in CPD for PE Leader, including attendance at Wigan meetings.	PE leader had developed knowledge of PE curriculum and local/national updates.	
Ensure high quality PE in school	Skillwise Sports coaches have upskilled teachers/Teaching Assistants, delivering high quality PE throughout school. Teachers and Teaching Assistants have increased confidence.	
Increase extra-curricular opportunities for children and opportunities to participate in competitive sports	Extra-curricular sports clubs have ran on a termly basis with over 60% of children in school taking part. Over 50% of children have competed against other schools.	
Teaching Assistants have delivered high quality activities for children at lunchtime.	Children enjoy lunchtimes and have a range of activities to ensure they are healthy and active.

Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
Give teachers/teaching assistants opportunities to observe and team teach PE sessions in school alongside Skillwise Sports coach. Teachers to focus on teaching mixed age classes.	Teachers have developed confidence in their teaching and this has impacted positively on children. Greater percentage of children working at or above the expected standard. Pupil Voice shows children enjoy PE sessions and learn new skills.	Children have enjoyed the focus on applying skills in games. Some curriculum sports need investment in new equipment – this will form part of next years expenditure plan.
Increase the participation of children in extra-curricular activities.	Over 75% of children accessed a morning/after school club. 80% of PPG/SEND children accessed extra-curricular activities. Children feedback states they really enjoy clubs at school.	Consider how the number and variety be increased next year?
Increase the participation of children in competitions against other schools.	St David's attended numerous events throughout the year. These include, Aspull Sports Events, Wigan Sports Development events and opportunities to compete against other Learning Together Trust Schools.	Consider a programme of Trust events to include all schools and widen the opportunities for children. Learning Together Trust mini-bus has given children more opportunities to travel to events.

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	82%	
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	74%	

<p>What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?</p>	<p>86%</p>	
<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>Yes</p>	<p>Identified children who had not met the standard had accessed extra sessions in Summer Term</p>
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>No</p>	<p>Swimming lessons are delivered by trained swimming teacher at a school within our Trust.</p>
