

St. David Haigh and Aspull C.E. Primary School

Pupil Premium Strategy Statement

<u> 2024 - 2027</u>

This statement details our school's use of pupil premium funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the outcomes for disadvantaged pupils last academic year.

School overview for 2024-2025

Detail	Data
Number of pupils in school	88
Proportion (%) of pupil premium eligible pupils	25%
Academic year/years that our current pupil premium strategy plan covers	2024-2025 2025-2026 2026-2027
Date this statement was published	November 2024
Date on which it will be reviewed	<mark>July 2025</mark> , July 2026, July 2027
Statement authorised by	Mrs. J. Woodcock Executive Headteacher
Pupil premium lead	Mrs. J. Woodcock Executive Headteacher
Governor / Trustee lead	Mrs. J. Hyde-Baron

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£34,040
Pupil premium funding carried forward from previous years <i>(enter £0 if not applicable)</i>	£O
Total budget for this academic year	£34,040
If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	

Statement of intent

In supporting our disadvantaged pupils we intend to do the following:

• provide the highest standard of quality first teaching

- remove barriers to learning and create ambitious, motivated and resilient pupils who believe in themselves
- ensure equality of opportunity
- improve future life chances and create potential for social mobility

We do this through targeted academic support in addition to broader provision, which

supports pupils' well-being, in addition to fostering wider talents and interests.

Our key principles are to ensure all pupils are happy and engaged in their learning, by

providing a rich and progressive curriculum. We strive for the highest academic standards. We

have high expectations and are relentless in our determination for all pupils to achieve their

full potential. We are committed to preparing them for the next stage in their education, and to foster a love of learning.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Increased risk of poor attendance and persistent absenteeism.
2	High percentage of children entitled to Pupil Premium with SEND needs
3	Low entry points in EYFS in Early reading and maths present challenges for disadvantaged children. The gaps remains steady until the end of KS1.
4	Under developed Oral language skills and vocabulary skills are evident in disadvantaged pupils from EYFS to KS2.
5	Standards in Reading, Writing and Maths show a noticeable gap between disadvantaged children and their peers, which creates barriers to learning across all areas of the curriculum.
6	Increased risk that pupils access a limited number of life experiences outside of school and have few opportunities to develop new skills. As a result, children's understanding of culture, and the world, is underdeveloped, creating a barrier to learning

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria	
Improved levels of attendance and punctuality	 An increased number of PPG children will have sustained attendance or 96% or more Persistent absenteeism will reduce for PPG pupils 	
Children with identified special educational needs flourish and achieve their full potential	 Clear and consistent approach to identification of children with special educational needs A graduated approach to supporting children with special educational needs, including working with external agencies, where applicable All children, with special educational needs, achieve their personal targets, through quality first teaching with adaptive strategies and targeted intervention Close work with external partners, provides a holistic approach of support to children and their families 	
Improved outcomes in Early Reading and Early Maths	 Effective transition discussions with parents and previous settings On-entry baseline provides accurate data on which to base high-quality provision High-quality provision and quality first teaching supports progress and attainment Teachers are secure in their knowledge of progression across the Early Years Foundation Stage and the next stage of learning Effective cross-phase and external moderation Subject leaders of English and Maths have a clear understanding of progression from Reception to Year 6 	
Improved oral language skills and vocabulary among disadvantaged pupils	 Teachers are highly skilled in the explicit teaching of vocabulary Teachers seek to extend pupils vocabulary through the adoption of Isabel Beck's three-tiered model Effective identification of level of language acquisition Close liaison with external partners such as EMAS and SALT service Children can communicate effectively in a range of situations and articulate their learning clearly 	
Improved standards in reading	 All pupils will make excellent progress in Reading An increased proportion of disadvantaged pupils will be working at age-related expectations or above in reading An increased proportion of disadvantaged pupils will have age-related phonics knowledge and skills Rates of reading at home will increase for PPG pupils 	

Improve standards in	All pupils will make excellent progress in Writing	
writing	• An increased proportion of disadvantaged pupils will be working at age-related expectations or above in Writing	
	 Children will be given the opportunity to write for a variety of purposes, including in published books/competitions 	
	• Barriers to early writing skills are identified swiftly and intervention is put in place to improve these skills, ensuring they do not hinder progress or hold back a pupil in reaching their full potential	
Improve standards in	All pupils will make excellent progress in Mathematics	
maths	• An increased proportion of disadvantaged pupils will be working at age-related expectations or above in Mathematics	
	• Teachers are confident in delivering the five-part lesson every day	
	• Teachers ensure that their daily maths lesson offers opportunities for pupils to problem solve and reason	
	Children in Early Years and KS1 have secure number sense and calculation skills	
Pupils access a high- quality educational offer	• All children who come to St. David's will access a rich and progressive curriculum, regardless of their personal circumstances	
	• The curriculum will offer enrichment through well planned visits and visitors to bring learning to life	
	• All children will have access to a wide range of extra-curricular activities All children will enjoy a menu of experiences whilst they are at St. David's which will build cultural capital	

Activity in this academic year

This details how we intend to spend our pupil premium funding **this academic year** to address the challenges listed above.

Teaching

Budgeted cost: £ 17,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
Read Write Inc Phonics Systematic approach to teach- ing phonics (resources, staff training and small group teach- ing)	EEF states that Phonics has a positive impact over- all (up to +5 months over a year) and is an im- portant component in the development of early reading skills, particularly for children from disad- vantaged backgrounds.	2, 3, 4, 5
Read Write Inc Virtual Classroom Online portal with access to pre-recorded phonics sessions to support teaching and learn- ing in school as well as inde- pendent learning at home.	EEF studies show that well-structured homework that links to in-class teaching will create additional progress (up to 5+ months over a year).	2, 3, 4, 5
Read Write Inc Home Read- ing Books High quality home reading books to support the develop- ment of early reading.	Parental engagement has a positive impact on average of 4 months' additional progress.	2, 3, 4, 5
Key Stage 2 Reading Scheme High quality home reading books to engage or fluent read- ers and promote a continued love of reading	Parental engagement has a positive impact on average of 4 months' additional progress.	2, 4, 5
Read Write Inc Develop- ment Days Six development days, provid- ing reading leader training and continuous professional devel- opment for all phonics teachers and key stage two teachers.	EEF Effective Professional Development document states that high quality teaching improves pupil outcomes, and effective professional development offers a crucial tool to develop teaching quality and enhance children's outcomes in the class- room.	2, 3, 4, 5
White Rose Maths Subscription to premium online teaching resources to supple- ment quality first teaching.	Develop practitioners' understanding of how children learn mathematics. Dedicate time for children to learn mathematics and integrate mathematics throughout the day. Use manipulatives and representations to develop understand- ing. Ensure that teaching builds on what children already know.	2, 3, 4, 5
Maths Hub North-West Three Engagement Professional development that effectively builds knowledge, motivates staff, develops teach- ing techniques, and embeds practice, including Mastering Number at Reception & KS1	EEF Effective Professional Development document states that high quality teaching improves pupil outcomes, and effective professional development offers a crucial tool to develop teaching quality and enhance children's outcomes in the class- room.	2, 3, 4, 5

Cornerstones Maestro Sub- scription Knowledge rich curriculum pro- jects	Cornerstones Curriculum Projects are carefully se- quenced to build pupils long-term memory and se- cure understanding in Science and Foundation subjects. Cornerstones pedagogical approach (En- gage, Develop, Innovate, Express) excites children and provides opportunities for them to deepen their knowledge and understanding and make connections to wider learning.	1,2, 3, 4, 5
Purplemash Subscription Platform for teachers to set high-quality homework linked to learning in the classroom.	EEF studies show that well-structured homework that links to in-class teaching will create additional progress (up to 5+ months over a year).	2, 3, 5
High Quality Continuing Professional Development for Staff Trainee Teacher Hub Model with MMU and Edge Hill with in-school Tutors Early Career Teacher pro- gramme Carefully selected CPD from ex- ternal partners e.g. Participation in National Pro- fessional Qualifications ITT, ECT & NPQ Mentor training LTT Teachers and Leaders col- laborating	EEF states, 'Ensuring an effective teacher is in front of every class, and that every teacher is sup- ported to keep improving, is the key ingredient of a successful school.'	2, 3, 4, 5

Targeted academic support

Budgeted cost: £ 10,700

Activity	Evidence that supports this approach	Challenge number(s) addressed
Oral Language Intervention Wellcomm	EEF evidence states that oral language intervention can produce up to 6 months extra progress, over the course of a year.	3, 4
Early Reading (Phonics) Tuition Read Write Inc 1:1 tuition Read Write Inc Virtual classroom Read Write Inc additional speed sounds session	EEF evidence states tutoring can produce up to 5 months extra progress, over the course of a year. Tuition targeted at specific needs and knowledge gaps can be an effective method to support lower attaining pupils or those falling behind, both 1:1 and in small groups.	2, 3, 4, 5
TT Rockstars	EEF studies show that well-structured homework that links to in-class teaching will create additional progress (up to 5+ months over a year).	2, 3, 5
In-school intervention Small group Reading, Grammar, Maths intervention, delivered by the class teacher. Y6 CGP based 'booster' sessions	EEF evidence states this can create up to an additional 4 months progress, over a course of a year. It is important to ensure this support supplements rather than replaces quality first teaching.	2, 3, 4, 5
SEND Specific intervention Individual Education Plans inform carefully devised provision, which included, advice, strategies and programmes from external agencies, such as SALT, physio etc.	EEF evidence states that teaching assistant intervention has a positive effect of plus 4 months progress, over the course of the year.	2, 3

Wider strategies

Budgeted cost: £ 6340

Activity	Evidence that supports this approach	Challenge number(s) addressed
Attendance support Robust implementation of the Attendance Policy and Procedures Inventry sign in system Dedicated pastoral team works closely with families to help overcome barriers to attendance and punctuality Whole school attendance initiatives Named member of SLT and pastoral team to oversee monitoring of attendance LTT Attendance Champion Engagement with the LA Attendance Officers	Regular attendance at school means that pupils can make the most of their education. Regular attendance also helps in developing a child's social skills, such as making and developing friendships. Regular and punctual attendance patterns will help prepare children when they enter the world of work. The link between attendance and attainment in school is clear. The more a pupil is in school the more they increase their opportunity to fulfil their potential.	1, 2, 3, 4, 5
Multi-agency support Additional DDSLs CPOMs Regular training Early Help caseloads Pastoral Support Plans	Maslow's 'Hierarchy of Needs' shows that pupils must have their safety needs met before they are able to succeed in any environment. EEF studies show that Parental engagement has a positive impact on average of 4 months' addi- tional progress. EEF studies show that behaviour interventions have a positive impact on average of 4 months' additional progress.	1, 2, 3, 4, 5
Partnership with External agencies Counselling through Wigan Family Welfare Educational Psychology Ser- vice SLA Sycamore Send Support Ser- vices SLA Engagement Centre Three Towers Alternative Provision Academy	EEF studies show that social and emotional learning (SEL) interventions seek to improve pu- pils' decision-making skills, interaction with oth- ers and their self-management of emotions, ra- ther than focusing directly on the academic or cognitive elements of learning, and can have a positive impact of 4 months. EEF studies also show that behaviour interven- tions aimed at reducing a variety of behaviours, from low-level disruption to aggression, vio- lence, bullying and general anti-social activities, have a positive impact on average of 4 months' additional progress.	1, 2, 3, 4, 5

 EEEs School carefully plans Enrichment, Extra-curricular and Experiences for all children These include: Project enrichment through trips and visitors, wider opportunities, including music and sport, Coram Life Caravan, lunchtime and after school clubs, PGL. A range of stakeholders within our Trust and School community have identified a menu of activities that we would like children across our Trust and School to experience during their time at Primary School to enhance and develop cultural capital. These include: Reception -A country walk with outdoor entertainment Year 1 - A visit to a contemporary circus Year 2 - A visit to watch live music Year 3 - A visit to an art gallery Year 5 - An experience of a Winter sports Year 6 - A City trip, including a University and Cathedral visit. 	EEF studies show that Arts participation ap- proaches can have a positive impact on aca- demic outcomes in other areas of the curricu- lum. They can also offer a route to re-engage older pupils in learning. (+3 months) EEF studies show that physical activity has im- portant benefits in terms of health, wellbeing and physical development. These benefits have important value in themselves. (+1 month)	1, 6
Year 6 - A City trip, including a University and Cathedral		

Total budgeted cost: £ 34,040
